Introductory Remarks

To the Trade

To those who have never done business with us we would say this is our Twenty-fourth year in the nursery business. We have 150 acres in nursery stock, 210 acres devoted to the business.

SOIL

Our soil is clay loam, high land that insures solid wood, early ripened trees.

Vincennes is situated on the Wabash river, 150 miles from St. Louis, 190 miles from Cincinnati, 57 miles south of Terre Haute, four good railroads: B. & O. S. W., Big Four, Pennsylvania and C. & E. I.

We have low freight rates to all the leading points.

Prices are limited to Fall, 1913, and supercedes all previous lists, are subject to change without notice.

We advise parties to send in their orders early before assortment of stock is broken.

Always give shipping instructions plain. In absence of particulars we forward to the best of our judgment, but in no case will we assume responsibility after consignment to purchaser. Any mistakes of ours cheerfully rectified.

Terms of Payment are cash or security before shipment, except with established nurserymen.

When, if unknown to us, satisfactory reference will be required before goods are shipped.

Quotations are net; packing and baling extra.

Remittance should be made by Draft on New York, Chicago, or St. Louis, or by Express Money Orders. Do not send personal checks.

Claims for deductions will receive consideration only when made promptly on receipt of goods.

Guarantee of Genuineness—While we exercise the greatest diligence and care to have our stock true to label, it is mutually agreed between ourselves and the purchaser, that our guarantee of genuineness shall in no case make us liable for any sum greater than that originally paid for stock that proves untrue.

Fruit Department

Special attention is called to our Apple Blocks which are very fine. Trees are mostly 2 year Cut Backs, smooth and well grown. Will make special price on large orders.
